IRFAN KHAN
FOUNDER

Property investment, managed for you, by experts.

Our team hand pick potential high yielding assets and complete all the checks.

Every property is pre-funded, so there is no need for a mortgage, allowing you to maximise returns and start earning straight away.

Our legal team fix up the documents, secure rental returns over the period and create a SPV structure so you can legally own the asset through shares issued.

Combining this with pre-defined rental income, means you get an investment that's assured and ready to go almost immediately.

YIELD IT

PROPERTY MAINTENANCE

We look after any repairs, and make sure insurances are all in place - so you won't get no midnight calls about the boiler not working.

TENANCY MANAGEMENT

Our tenancy agreements are pre-agreed for longer terms, so you won't miss out on rental income due to tenancy gaps.

NO STRESS

From Gas Safety checks and rodent infestations, we look after it all.

REAL OWNERSHIP

Full financial rights and full voting rights on key decisions are given to investors.

NO INTEREST

The properties are 100% owned by investors so there is no debt and therefore no interest.
